

# Come To Our Island... Stay In Our Village... Join Our Tribe

If you are considering hosting your once-in-a-lifetime event on Hatteras Island, it is likely because of what our island has as well as what it does not have. Cape Hatteras is America's first National Seashore and was voted #4 for the best beaches in America in 2010. Although we do not have malls or many traffic lights, we do have over 70 miles of pristine shoreline where you can experience some of the world's best water sports like surfing, kiteboarding, fishing and much more. You can be guaranteed to catch jaw dropping sunsets and sunrises on our uncrowded beaches that are not polluted by big city lights too.

Koru Village is in the heart of Hatteras Island living in harmony with what the island is best known for: Naturally beautiful beaches, perfect waves, warm breezes and friendly faces. Our four acre campus is home to over 30,000 square feet of world-class facilities.

Including:

- ~ 7 luxury villas
- ~ State-of-the-art fitness center
- ~ Renowned yoga programs
- ~ Organic Spa
- ~ Exclusive Salon
- ~ Outdoor Adventure Program

So what are you waiting for? Come to Hatteras Island, stay at Koru Village and join the tribe.
